

Merrill Rail Crossing Elimination Planning Study

Join Us for a Public Meeting!

The Merrill Rail Crossing Elimination Planning Study is seeking to identify ways to improve highway safety and traffic flow in the Merrill area. Join us at a Public Meeting to learn more, discuss with the project team and provide input. There will be no formal presentation.

In addition to the in-person public meeting, materials will be posted on Friday, following the meeting, on the project website at <https://iowadot.gov/modes-travel/rail/highway-railroad-crossings/merrill-rail-crossing-elimination>.

The meeting space is accessible for people with disabilities. If you require more support at the meeting, please contact Iowa DOT Civil Rights by Monday, May 11, at 515-239-1111 or by email at civil.rights@iowadot.us.
