- \*Any additional garbage must be tagged (there are lime green tags available at City Hall for \$1.00 for each 30 gallons of garbage)
- \*Totes should be placed away from the curb and free from any obstacles with the opening of the tote to be facing the street.
- \*Lids must be closed; **do not overfill!** Do not stack items on top of the tote.
- \*Recycle will be picked up on a different day, to be announced.
- \*If a tote is lost, stolen or damaged on account of whom occupies the residence the cost of the tote will be prorated based on a 10 year warranty and must be paid by the occupant.

(The cost of the tote is \$47.73/each)

Pricing for additional totes:

- An additional 65 gallon tote is \$7.90
- A 95 gallon tote is available for \$4.00 per month (\$12 per quarter)
